

Last year
over **20,000**
people died
because of
their work.

**HEALTH AND
SAFETY BRIGADE
GO BONKERS
FOR CONKERS**

**How Elf 'n Safety
stole my country**

**Cheese rolling
cancelled due
to health and
safety fears**

**IT'S BLOOMING
HEALTH AND SAFETY
GONE MAD!**

**Santa hit by elf
and safety killjoys**

Still think
**health
and safety**
is a joke?

Protecting people at work
Because health and safety
is no laughing matter
